Understanding the Families First Coronavirus Response Act

*The Families First Coronavirus Response Act (FFCRA) came into effect on April 1, 2020, in an effort to provide relief to working Americans impacted by COVID-19 through Emergency Paid Sick Leave and Emergency FMLA programs. With school districts reopening this month, many business owners are starting to see an additional influx of requests for leave under the FFCRA. Our webinar equips listeners with a **simplified overview** of the FFCRA, and specifically discusses **various back-to-school arrangements** that will impact employee leave eligibility and more.*
